Note: The time of the earnings briefing for analysts and institutional investors will be announced separately.

2. Reason for the Change

As disclosed in the Company's "Notice Regarding Submission of Amendment to Internal Control Reports for Prior Fiscal Years and Material Weaknesses in Internal Control over Financial Reporting" dated September 30, 2026, pursuant to Article 24-4-5, Paragraph 1 of the Financial Instruments and Exchange Act, the Company submitted to the Kanto Local Finance Bureau amendment reports to its internal control reports for prior fiscal years, stating that there were material weaknesses that should have been disclosed. Accordingly, the Company is required to attach an independent auditor's review report to its financial results for the third quarter of the fiscal year ending December 2026. After considering the time required by the independent auditor to complete its review and issue the review report, the Company has decided to change the scheduled date of the financial results announcement.
