

## Notification of funding through borrowing

We hereby announce that the Company signed a contract for a long-term syndicated loan on July 14, 2011.

### 1. Purpose of the funding

To provide funds for carrying out capital expenditure described in the mid-term management plan that starts from this fiscal year.

### 2. Reason for selecting this funding method

In consideration of existing shareholders and capital cost, we have opted for debt finance and a syndicated loan in particular due to its superior flexibility and advantage in cost terms.

### 3. Outline of the borrowing
