

16th November, 2023

Notice of exhibition | AMTech Expo 2023 India

CMET Inc. (headquarters: Kohoku-ku, Yokohama-shi; President and CEO: Shigetoshi Ishiyama), Nabtesco group, manufactures and sells Stereolithography System (SLA) / Sand Molding System (BJ), and related consumables will exhibit at the AMTech Expo2023 India. The exhibition will be held on 1st and 2nd, December 2023 in Hyderabad, India.

It is India's largest business networking platform for Additive Manufacturing Technology, where you can experience the 3D Printing & Additive Manufacturing Technology ecosystem. As CMET starts to sell products in India, the company will promote and raise awareness in Indian market and accelerate business through exhibition.

CMET Inc., Nabtesco India Private Ltd. and Proto Co., Ltd., will jointly exhibit a booth.

We look forward to your visiting our booth at AMTech Expo2023.
