

## Information of Asia Pacific Maritime (Singapore) Exhibition

Nabtesco Corporation will be exhibiting at Asia Pacific Maritime in Singapore from 16th (Wed) to 18th (Fri) March, 2016.

This exhibition is the largest exhibition for Marine Business in Asia along with “Sea Asia.”

Singapore is key point for maritime business and Nabtesco Marine Service Singapore Pte Ltd, our subsidiary, will introduce and explain the importance of routine maintenance for Main Engine Remote Control System to avoid sudden trouble and reduce the breakdown risk as representative for After-sales Service Team of Nabtesco Marine Systems Company.

In addition, we will exhibit [M-800V] as our key product and [Hydraulic Pressure Valve] for Electric Engine from current generation of critical products.

We are looking forward to your visit.
