

Awarded a Top 10% S&P Global ESG Score 2022 by S&P Global Inc.

Nabtesco Corporation (headquarters: Chiyoda-ku, Tokyo, President and CEO: Kazumasa Kimura) hereby announces that it has been awarded its first Top 10% S&P Global ESG Score (for 2022) in the 2023 edition of the Sustainability Yearbook, which shows the sustainability-related rankings of companies given by US-based S&P Global Inc.

S&P Global Inc. annually evaluates companies across the world in terms of their economic, environmental and social measures. In 2023, the ratings agency evaluated 7,800 companies operating in 61 industries, and from among them selected 708 (of which 84 are Japanese companies) to receive the honor. Nabtesco was ranked as the world's No. 5 in the Machinery and Electrical Equipment sector, scoring 79 out of 100.

Nabtesco has been working for the solution of environmental and social issues, upholding "Focus on ESG issues" as one of its management targets in its medium-term management plan for fiscal 2022 to fiscal 2024. The company will continue to contribute to the creation of a sustainable society in line with its corporate philosophy.
